

GONK VOCALIZER MANUAL

The Gonk Vocalizer from Human-Cyborg Relations synthesizes brand new Gonk vocalizations in realtime using individual phonemes from the original Episode IV recordings.

For more background on the Gonk Vocalizer and other Human-Cyborg Relations vocalizers, please visit humancyborgrelations.com

Main Panel

1. Chat. Trigger a Chat vocalization.

2. Gonk. Trigger a Gonk vocalization.

3. Gonk Modulator. Modulate the Gonk vocalization. The upper range represents the traditional high-pitched Film Gonk, while the lower range represents the lower-pitched Death Gonk that has appeared in other Star Wars media.
